

Department of Physical Education

The Department of Physical Education was established in 1997. USST's various sports work is carried out by the Department of Physical Education. The main tasks include the physical education teaching, the test of students' physical health, the construction of high-level sports teams, and the development of mass sports activities and sports science research, etc. In 2010, the Ministry of Education approved USST's qualifications for the construction of athletic high-level sports teams and provided a development platform for the development of high-level sports teams.

There are 43 teachers in the Department of Physical Education (30 male teachers and 13 female teachers), including 2 professors, 9 associate professors, 31 lecturers, 1 assistant professor, 2 national judges and 7 first-level judges.
